HARYANA GOVERNMENT EXCISE AND TAXATION DEPARTMENT

Subject: Clarification in respect of goods sent/taken out of India for exhibition or on consignment basis for export promotion- reg.

Various representations have been received from the trade and industry regarding procedure to be followed in respect of goods sent / taken out of India for exhibition or on consignment basis for export promotion. Such goods sent / taken out of India crystallise into exports, wholly or partly, only after a gap of certain period from the date they were physically sent / taken out of India.

- 2. The matter has been examined and in view of the difficulties being faced by the trade and industry and to ensure uniformity in the implementation of the provisions of the law across the field formations, the Commissioner of State Tax, in exercise of its powers conferred under section 168 of the Haryana Goods and Services Tax Act, 2017 (hereinafter referred to as the "HGST Act") hereby clarifies various issues in succeeding paragraphs.
- As per section 7 of the HGST Act, for any activity or transaction to be considered a supply, it must satisfy twin tests namely-
 - (i) it should be for a consideration by a person; and
 - (ii) it should be in the course or furtherance of business.
- 4. The exceptions to the above are the activities enumerated in Schedule I of the HGST Act which are treated as supply even if made without consideration. Further, subsection (21) of section 2 of the Integrated Goods and Services Tax Act, 2017 (hereinafter referred to as the "IGST Act") defines "supply", wherein it is clearly stated that it shall have the same meaning as assigned to it in section 7 of the CGST Act.
- Section 16 of the IGST Act deals with "Zero rated supply". The provisions contained in the said section read as under:
 - 16. (1) "zero rated supply" means any of the following <u>supplies</u> of goods or services or both, namely:—
 - (a) export of goods or services or both; or

(b) supply of goods or services or both to a Special Economic Zone developer or a Special Economic Zone unit.

Therefore, it can be concluded that only such 'supplies' which are either 'export' or are 'supply to SEZ unit/developer' would qualify as zero-rated supply.

- 6. It is, accordingly, clarified that the activity of sending / taking the goods out of India for exhibition or on consignment basis for export promotion, except when such activity satisfy the tests laid down in Schedule I of the HGST Act (hereinafter referred to as the "specified goods"), do not constitute supply as the said activity does not fall within the scope of section 7 of the HGST Act as there is no consideration at that point in time. Since such activity is not a supply, the same cannot be considered as 'Zero rated supply' as per the provisions contained in section 16 of the IGST Act.
- 7. Since the activity of sending / taking specified goods out of India is not a supply, doubts have been raised by the trade and industry on issues relating to maintenance of records, issuance of delivery challan / tax invoice etc. These issues have been examined and the clarification on each of these points is as under: -

- 5. Whether the refund claims can be preferred in respect of specified goods sent / taken out of India but not brought back?
- a) As clarified in para 5 above, the activity of sending / taking specified goods out of India is not a zero-rated supply. That being the case, the sender of goods cannot prefer any refund claim when the specified goods are sent / taken out of India.
- b) It has further been clarified in answer to question no. 3 above that the supply would be deemed to have taken place;
 - (i) on the date of expiry of six months from the date of removal, if the specified goods are neither sold nor brought back within the said period; or
 - (ii) on the date of sale, in respect of such quantity of specified goods which have been sold abroad within the specified period of six months.
- c) It is clarified accordingly that the sender can prefer refund claim even when the specified goods were sent / taken out of India without execution of a bond or LUT, if he is otherwise eligible for refund

as per the provisions contained in sub-section (3) of section 54 the HGST Act read with sub-rule (4) of rule 89 of the HGST Rules, in respect of zero rated supply of goods after he has issued the tax invoice on the dates as has been clarified in answer to the question no. 4 above. It is further clarified that refund claim cannot be preferred under rule 96 of HGST Rules as supply is taking place at a time after the goods have already been sent / taken out of India earlier.

The above position is explained by way of illustrations below: Illustrations:

i) M/s ABC sends 100 units of specified goods out of India. The activity of merely sending/taking such specified goods out of India is not a supply. No tax invoice is required to be issued in this case but the specified goods shall be accompanied with a delivery challan issued in accordance with the provisions contained in rule 55 of the IIGST Rules. In case the entire quantity of specified goods is brought back within the stipulated period of six months from the date of removal, no tax invoice is required to be issued as no supply has taken place in such a case. In case, however, the entire quantity of specified goods is neither sold nor brought back within six months from the date of removal, a tax invoice would be required to be issued for entire 100 units of specified goods in accordance with the provisions contained in section 12 and section 31 of the HGST Act read with rule 46 of the HGST Rules within the time period stipulated under sub-section (7) of section 31 of the HGST Act.

ii) M/s ABC sends 100 units of specified goods out of India. The activity of sending/taking such specified goods out of India is not a supply. No tax invoice is required to be issued in this case but the specified goods shall be accompanied with a delivery challan issued in accordance with the provisions contained in rule 55 of the HGST Rules. If 10 units of specified goods are sold abroad say after one month of sending / taking out and another 50 units are sold say after two months of sending / taking out, a tax invoice would be required to be issued for 10 units and 50 units, as the case may be, at the time of each of such sale in accordance with the provisions contained in section 12 and section 31 of the HGST Act read with rule 46 of the HGST Rules. If the remaining 40 units are not brought back within the

stipulated period of six months from the date of removal, a tax invoice would be required to be issued for 40 units in accordance with the provisions contained in section 12 and section 31 of the HGST Act read with rule 46 of the HGST Rules. Further, M/s ABC may claim refund of accumulated input tax credit in accordance with the provisions contained in subsection (3) of section 54 of the HGST Act read with sub-rule (4) of rule 89 of the HGST Rules in respect of zero-rated supply of 60 units.
